GIRLBOSS GATEKEEP GASLIGHT

If you think you can stop the symmetry that's false - your team is dialin' for help but I'm ignoring their calls, & when their bodies dissolve, you know that False is on a killin' spree - try to stop my PVP & perish painfully (uhuh) I'm the queen of hearts, heads & body parts - your diamond armor can't compare to my martial arts I'll send a poison dart to make you breathe your final breath G-TEAM's name will be the only thing left

LOVER OF SNEZHNAVAN QUEEN

There lived a certain man in snezhnaya long ago, he was big and strong and his eyes a flaming glow. Most people looked at him, with terror and with fear

MS. STRESSMONSTER101
